### Introducing Dr Madison S. McKee

Patients & Friends,

We are pleased to announce the newest addition to our professional staff, Madison S. McKee, B.S., D.C. Dr. McKee recently became the third doctor on our staff, after graduating Summa Cum Laude from Life University College of Chiropractic in Marietta, Georgia, and completing her preceptorship here at Leach Chiropractic last year.

She was born & raised in Bay Springs, MS, where she graduated from Stringer High School in 2015. After receiving an Associate in Arts degree from Pearl River Community College, she earned a Bachelor of Science degree in Kinesiology from Mississippi University for Women. A Phi Theta Kappa in community college, she played softball throughout her undergraduate career.

While at MUW her team finished 3<sup>rd</sup> in the nation, and she earned USCAA First Team All-American honors. She was twice named to the USCAA National All-Academic Team.

Since graduation from Life University, she completed coursework and became ICPA Webster Certified. Dr. McKee has an interest in chiropractic health and wellness care for women, including pregnancy as well as pediatric care. When not at the office, Dr. McKee loves spending time with her Goldendoodle Goose & her husband, Cody McKee.

Dr. McKee is on the provider panel of all insurances accepted by Leach Chiropractic, including Blue Cross and Blue Shield of Mississippi, Ambetter, Magnolia Health, Molina, Aetna, Optum, Medicaid, Medicare, CHIPS and others. When scheduling an appointment with Dr. McKee, our receptionist can verify that your insurance is accepted here.
